Please remember:

- Always remember to wash hands.
- **Allergy Alert! Do not mix or let gluten free wafers touch the wheat bread.**
- If there is not enough bread in the plastic container in the sacristy, there is bread in the freezer (on the top shelf) in the Faith Center.
- There are extra linens in the plastic box in the back of the credence table in case of spills.
- If you take the elements to the grove service, there are boxes in the sacristy to load them into your car.
- Everyone – please make sure that when you fill the wine cups, to fill the wine halfway up the smaller juice cups, so there is enough wine left to the end of the serving.
- Please be sure to empty the cups after first service and refill for second service. (Not good to leave floaters).
- Wash all serving plates and rinse cups with hot soapy water after second service. The hot water tank is under the sink and it takes about 15 minutes to heat up. The cord plugs into the wall socket to the left of the sink. **Be sure to unplug after use.**
